

What we offer

At Drift Away Massage & The Olive Alley Beauty clinic, we are passionate about promoting health & wellness for your conference or event with onsite chair massage.

We believe relaxation isn't just a luxury—it's essential for staying focused, energized, and at your best to last the day.

Our corporate massage services provide a moment of calm amidst the hustle, & a quick recharge so your attendees can feel their best.

Remember Your body hears everything your mind says – so let us help you nurture it, even on the busiest days.
